This little patch of heaven borders a coulee, has amazing unobstructed views in every direction and has room for you, the family and the horses. A walkout basement design would work great on this lot facing the East to take in the amazing sun rises and when you are sitting on your front porch you will be able to watch the sun disappear into the horizon at night. There is power and municipal water run to the property already. Call today to view! (id:2941)
